Type **Natural toboggan run**

Information phone **+43**

Information description

Gogles Alm, Leo Spiss

Public transport

Take the bus to the bus stop Naturparkhaus/Fließ.

Parking

Free parking at the junction Fließ.

Description

To make sure there is something for everyone, a three metre wide track is prepared by a snowcat, which is very suitable for tobogganing and should also make the descent on skis easier. So that you don't have to carry the sledge up, it can be rented on the alpine pasture (check the opening times).

Free toboggan rental
