## Panorama hike Luibisböden

### Description

Walk by a road to the left towards the broadcasting mast for a short while, then turn left onto a footpath leading in the direction of the mountain hut Luibisalm (not catered). This Alm is a peaceful destination for a day trip and affords walkers panoramic views high over the valley opposite the steep Rofelewand rockface (3,354 m). Continue on past a hunting lodge to the so called Luibisböden. Return via the outward route.
