### Description

**Attention! Snowshoe hikers without mountain guides do tours at their own risk. For your safety, please remember: mountains and their hazards (for example avalanches, rockfall, glacier clefts,..). For inexperienced people, we advise to use a local guide. Don't forget that you are in high alpine terrain. TVB assumes no liability.**

Starting point: The valley hiking trail follows the Pitze river from Mittelberg to Wiese. It is particularly popular with walkers and locals. You can access this hiking trail in every hamlet of St Leonhard and can walk into or out of the valley. You can return as you like either via the same route on foot or by using the Regio shuttle bus.

Duration: optionally, access and exit is possible in every hamlet.
