Description

Starting point district Piösmes: Go back to Scheibe and then follow a forest road, then a steep forest path until you reach the catered mountain hut Arzler Alm. Afterwards follow a wide forest road for ca. 1 kilometre until you are beneath the Rappenkopf summit, then turn off onto a steep trail in a southerly direction. Follow this uphill trail until you reach another fork after approximately 500 metres and again turn in a southerly direction. Here the high-level trail, built in 2012 starts, which will remain on approximately the same level between 2,000 m and 2,400m beneath the Seirlöcherkogel summit and in the direction of Neururer Berg. Along this section there are several fantastic viewing points in the direction of Mandarfen or the Mittagskogel summit and Pitztal's glaciers. After a walking time of approximately 4 hours you will reach Neururer Berg mountain and then follow a shaded forest trail downhill towards Trenkwald. Follow the signposts to Plangeroß via the Pitztal Bike trail. And then follow the valley hiking trail to Mandarfen.
