Description

Swiss-Trac Tour: Start: car park near the church. From there, follow the tarmac road for 0.5 km along Lenegasse through the hamlet of Wald. Near Wald Obermauri just in front of the post box turn left into a wide farm track that can be easily managed by using the Swiss-Trac. After approx. 0.5 km you will reach a turn-off. Pass the turn-off and return back to the village centre. It is a steeper incline on the last 20 m back to the tarmac road, from where the car park can be reached within minutes.
