## Description

Start in Scheibe at "Gasthof zur Einkehr" restaurant. The 3.7 km long uphill hike to the catered mountain hut Arzler Alm leaves hardly any opportunity for a breather. The route has an average of 13% incline and despite a dense forest protecting it from direct sunlight, hikers will certainly work up a sweat!

The condition of the mostly graveled roads is very good but caution should be exercised on your way down, especially in the bends. Arzler Alm affords fantastic panoramic views of the surrounding mountains.
