Description

From the *Piller Musikpavillon* bus stop or the *Piller Zentrum* car park, this hike initially leads in the same direction as the Beckenhof circular hiking trail, but after a short while branches off to the left. Then there is a somewhat demanding ascent for ca. 500 meters and after another kilometre there is the possibility of making a detour of 400 metres to the managed fishpond *Fischteich Piller*. You can return to the starting point via the same route, covering a total distance of 3.5 km and an elevation difference of ca. 150 metres.
