Circular hike

Getting there

Take the bus till the bus stop Mandarfen Riffelseebahn.

Description

„STONE SCULPTURE SYMPOSIUM“.

A number of different stone sculptures were erected around Mandarfen in celebration of the international stone sculpture artist symposium held in the inner Pitztal valley between July 2008, 2010 and 2014. This was the start of an artistic campaign led by the respected artist, Kassian Erhart, which is set to continue over the next few years.
