Description

The walk starts at Galtwiesen car park. From here, walk along a forest path in the direction of Wennerberg. After approximately 200 metres turn off to the right and follow another forest path to Weiler Krabichl/Leins. Once there, turn right again via a farm track through meadows and close the loop by returning back to the starting point. Why not finish off your walk by stopping at Jausenstation Waldeck for some refreshments?
