

Hike to Aifneralm mountain hut

Elevation uphill
460 m

Highest point
1980 m

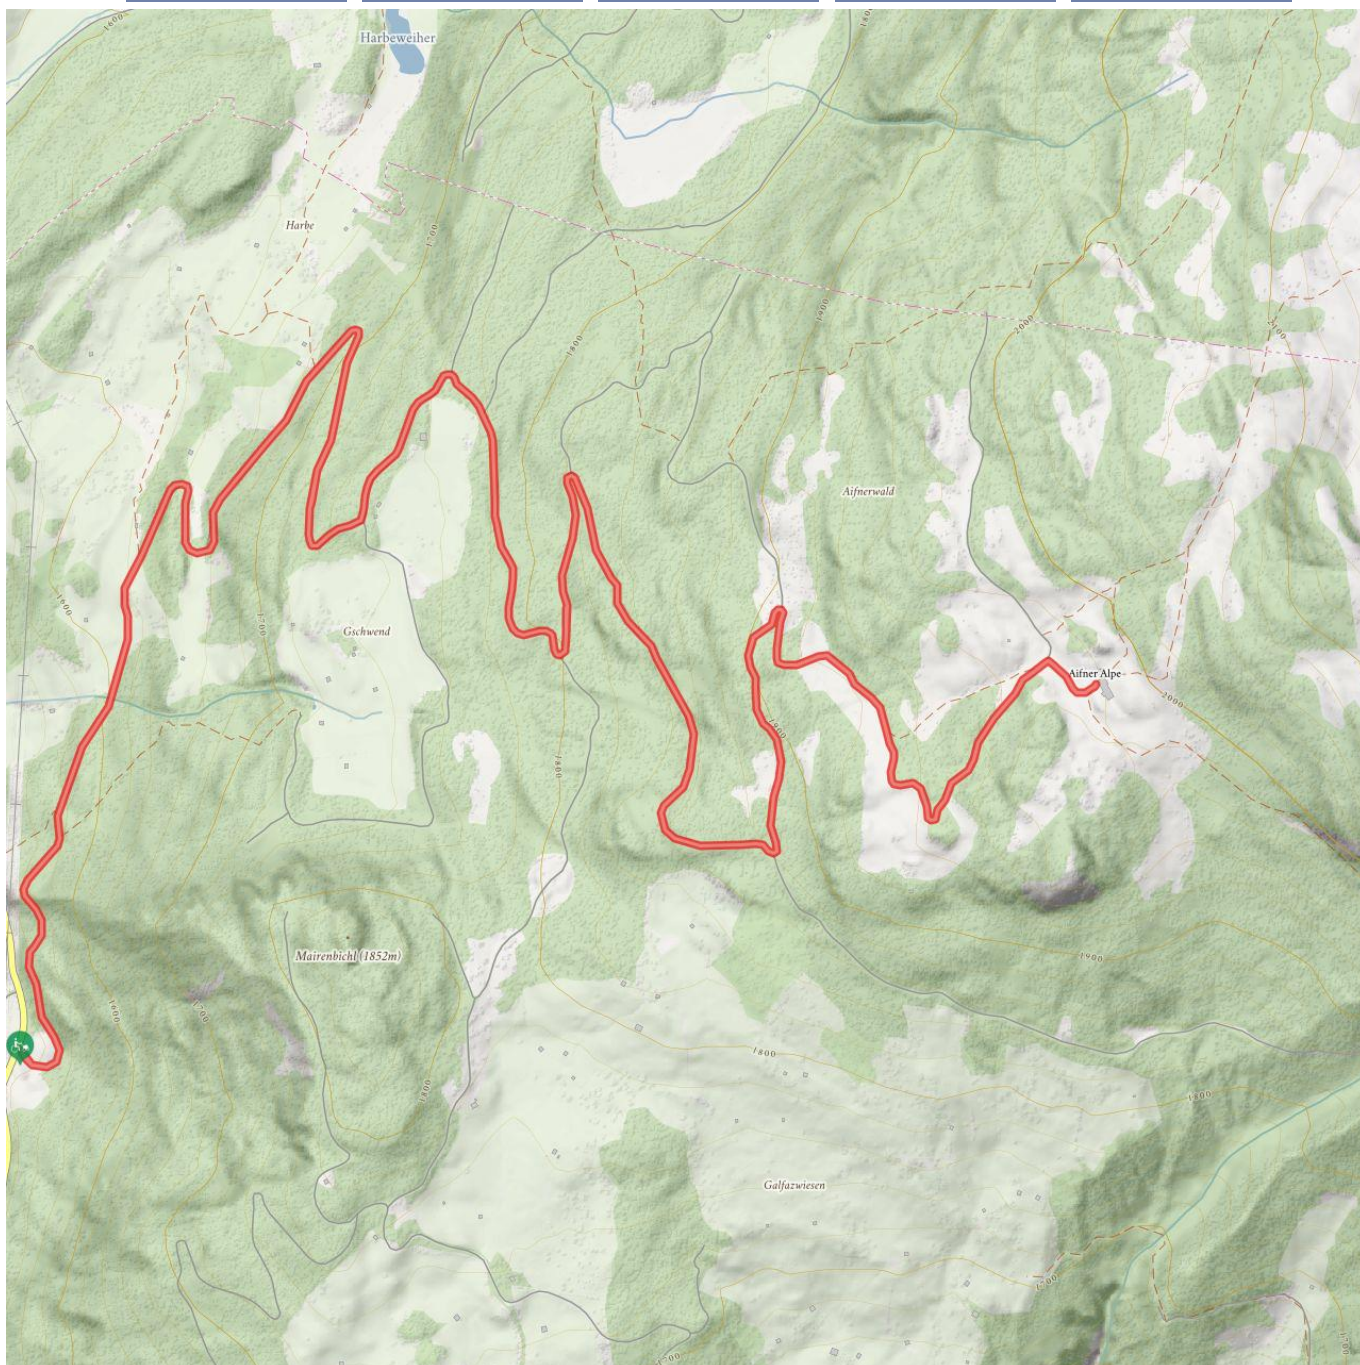

Duration ascent
1:30 h

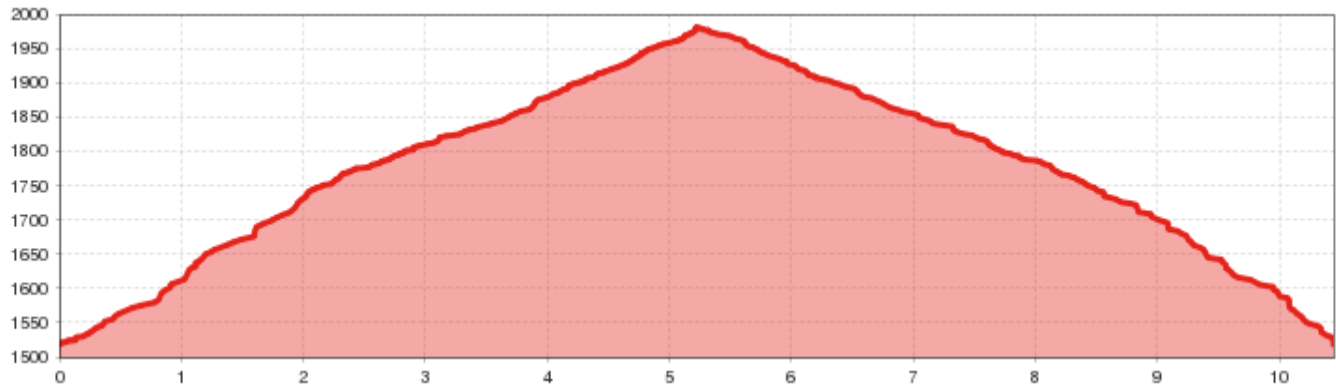

Distance
10 km

Duration total
3:00 h

Hike to Aifneralm mountain hut

Information

Elevation downhill **460**

Starting point

Car park near the hamlet Puschlin

Destination point

Car park near the hamlet Puschlin

Path surface

At first, a well-prepared forest path leads steeply uphill and you will already overcome a few metres in altitude at the beginning. After approx. 2/3 the road becomes bumpier and difficult to drive on.

Suitable for wheelchairs

Wheelchair accessible

Type of Route

Swiss Trac Tour

Description

Swiss Trac Tour: Start: Please do not take the trail starting straight at the Naturparkhaus, as this features a short section that is not accessible by Swiss-Trac.

Start this route at the car park near the hamlet of Puschlin. Initially follow a well-prepared forest path. You will cover some altitude on this initial steep uphill section. Please note that you should never leave the main path. It leads past beautiful alpine meadows and after approx. 2/3 of the way, the surface of the path will become a little rougher and harder to navigate. After ca. 1.5 h you will reach the catered mountain hut "Aifner Alm". The hut itself is accessible via a ramp, however, after rainfall the path leading up to it may be washed out in places. The toilet can be accessed by mounting one step. The corridor is very narrow due to a box. The toilet can be accessed by wheelchair but there is not sufficient space for turning circles.
