This path forks off after approximately 100 m. The lefthand track leads to the Stallkogel – take the track to the right, which leads to the beautiful Alpine lake Brechsee. At the lake, enjoy fantastic vistas of Wennis and Arzl and the panoramic Alpine scenery of the Venet, Tschirgant and Gemeindkopf summits. From there, the path forks off again: follow the steep path to the catered mountain hut Söllbergalm, which is an approximately 30 to 45 minute walk from the lake. From the Alm, walk on the agricultural road in the direction of Wiese. After approximately 150 m turn off right by a moderately steep path leading back to the Mauchele Alm. This path continues through larch and Swiss pine forests until it joins with the agricultural road to the Mauchele Alm. From there, it is about 200 m further to reach the Mauchele peak. Descend on this path to the starting point in Rehwald.
