Description

From the Luis-Trenker-Steig car park, which is unfortunately currently closed, follow the signs for Wald and after approx. 50 metres on the main road, you will reach a wide forest path leading directly to Wald. This loop branches off to the left at the fire station. Follow the path over the Benni-Raich bridge to the Bungy-Stüberl, which invites you to take a break with a stunning view of the Pitzeschlucht gorge. From the Bungy-Stüberl, follow the "Luis-Trenker-Steig" signs to return to the starting point via a somewhat steeper path.
