Description

From the car park of the Luis-Trenker-Steig, which is unfortunately currently closed, follow the signs for Wald and after approx. 50 metres on the main road, you will reach a wide forest path directly to Wald. At the fire station, follow the tarmac road to Unterwald, where the hamlet of Niederried is signposted. From there, follow the signs for "Luis-Trenker-Steig" until you reach the closed entrance to the Luis-Trenker-Steig. Here, a somewhat steeper path branches off in the direction of the Arzl sports ground. As soon as you reach the tarmac road, follow the signs for "Luis-Trenker-Steig" and at the first signposted option follow a path down to the left. Immediately after this junction, you will reach the Neururer wine café, which invites you to take a cosy break. Follow the signs for "Luis-Trenker-Steig" and you will eventually return to the starting point.
